

Installer SHOW

**20
22****VISIT US ON
STAND E161**

Don't miss out!

This year, Ariston will be exhibiting at Installer SHOW - the UK's biggest heating, plumbing and electrical trade show. Taking place at the NEC, Birmingham, from 21-23 June, we will be previewing a wealth of new heating, hot water and sustainable products and innovations.

Read more below...

Exclusive product previews

At this year's Installer SHOW, we will be showcasing a range of products that will soon be available, including the latest in sustainable heating and hot water technology.

- New range of air source heat pumps
- Sustainability focussed updates to our One range of boilers
- Impressive additions to the Ariston range of smart connective devices

Brand relaunch

We'll also have fantastic news about our brand refresh as we renew our commitment to sustainability and make Ariston "The home of sustainable comfort".

Activities

Don't miss out on a host of activities on our stand at Installer SHOW this year, where you can enjoy the following:

- Live demo sessions
- Interactive competition via mobile app
- Mini Golf competition – Show your skills at our Nimbus mini golf!

We can't wait to see you again!

So, make sure you put **21st-23rd June 2022** in your diary and join us on our stand at the NEC. The whole Ariston team is excited to be meeting our loyal installer customers face-to-face again.
